

ECU Melanoma Research Group Laboratory Tour

Thursday 6 September 2018

6:00PM to 8:00PM

ECU Joondalup

Room JO 9.209

(Second Floor, Building 9)

See the campus map for details

(yellow text, grid ref: E3)

Parking is free anywhere after 5pm - visitor, staff and student areas

Closest Car Park is P8 (yellow text, grid ref: F3)

Are you living with melanoma?

Are you participating in ECU's melanoma research by donating blood samples?

If you're not donating blood samples - would you like to?

Do you want to learn more about the next phases of the research?

Would you like to give the research team any feedback or suggestions?

Agenda

- Light refreshments
- Lab Tour – commences at 6:30pm
- See first-hand the equipment used for all the melanoma research projects
- Meet the scientists and ask any questions you have about their research
- Hear more about published research findings and planned future research

This special event is proudly co-hosted by melanomaWA and the ECU Melanoma Research Group

RSVP: This event is free, but we'd like to know how many people to expect. Please register by 5 September

All RSVPs: via email - support@melanomawa.org.au or call: 08 9322 1908
